October 5, 2009

Dear Pastor,

Hunger has a new context these days. While it was confined at one time to sidewalks downtown or among the poor overseas, it has come "closer to home". The World Hunger Offering is a way our Southern Baptist churches respond to the hunger needs now in our own neighborhoods.

While many want to help with hunger related needs, they aren't sure how. The World Hunger Offering though gives that incredible opportunity of sharing Christ with hungry families here in Nevada, across the country and even in communities overseas.

While the World Hunger Offering will be promoted nationwide on Sunday, October 11, there are many resources available for your use throughout the year at www.worldhungerfund.com including:

- Bulletin inserts, World Hunger Fund logo, mini-poster ads, video and a Power Point presentation.
- Soup can labels to create receptacles for WHF donations.
- A mini coloring book depicting real people whose lives are being touched through Southern Baptist hunger ministries.
- A drama script that can be used to educate church groups on the Christian mandate to minister to the poor.

Along with these resources, you may also want to order the official World Hunger Bread Bank from WMU® www.wmustore.com. These plastic banks will be a great reminder for families and individuals to collect their change and then give it towards your church's offering.

Our goal this year for the World Hunger Offering is \$15,000. If all of our Nevada Baptist Churches give just \$85.00, we will exceed our goal.

If your church has any type of Hunger Ministry, register your ministry with us so we can keep you informed on training events and resources that will be available in the coming months.

Please contact our office if you have any questions regarding Hunger Ministries.

Sharing the Bread of Life with you in Nevada,

Lorna Bius
