**State Evangelism Conference**

Dear Donna,

The NBC purpose statement gives us our mandate to do two things: strengthen and plant churches. If you think of these two tasks as rails on which to run the NBC locomotive, then evangelism becomes the cross-ties that keeps the two rails working in tandem to carry the locomotive. Evangelism is so absolutely a Great Commission activity.

The **2012 NBC Evangelism Conference, March 26-27, at South Reno Baptist Church** is being developed to inform, inspire and equip your new or maturing church. You won't want to miss a single session. I am praying and anticipating seeing you there! I will share with you a plan to financially help your church use evangelistic events such as the *Courageous* movie, block parties, revival-type meetings, Vacation Bible School and other kinds of attractional events to strengthen your evangelistic outreach.

Grace and Peace,

Jerry

Bible Storying

As we have in that last 7 issues, we have provided a link to a series of 10 articles on Bible Storying, published by Baptist Press and Baptist Press en Español. There may have been a

missing link in the last issue of TNB for [Article 7: Beginning a Bible Storying encounter](#). The next Article 8 is [Bringing closure to a Bible Storying opportunity](#). If you've missed a story, you can go to this [link](#) and see them all. I hope you are enjoying this unique way the Bible is being told all over the world.
